STV Appeal: RAMH can support family holidays for people who use our services, who have children under 18. Your support worker would need to agree and make an application through our STV appeal money. Email stephen@ramh.org or shirley@ramh.org with your request.

We have been successful again in getting money from this fund to support families with children to have a “treat”. So please let me know if there are any families who have not taken advantage of this, and who might benefit from a trip to the Panto or Cinema.
Examples of ways we have used this fund is to fund: Caravan holiday; Decorating a child’s bedroom; Purchasing a washing machine for a family; Days out and special treats.
Staff who have used the fund to support the people who use their service, should send Stephen or Shirley an email with an update on how this benefitted the family, as this is what enables us to apply for more money!
